

UPDATES TO THE WW4M RULES

In order to register for the competition, teams will have to block the entry slot for the various categories by paying the first fee of 150 euros (37.50 euros per athlete).

Qualifications are no longer available, so the first 32 teams registered will have direct access to the live.

In order to regularize the registration to the live event, the teams will have to pay the second fee of 250 euros (62.50 euros per athlete).

Only at that point the team will be enrolled in the live phase of WW4M.

For each category 32 slots will be reserved plus additional 8 reserve slots to draw on in case of defections.

The first registration with the payment of 150 euros must be made by June 5, 2022.

The payment of 250 euros of the second registration must be paid within June 30th, 2022.

In the Elite category there are 16 wild cards assigned by the organization to international teams.

Since qualifications are no longer available, master athletes must meet the following requirements in order to participate in the competition:

Master Young, must be 35 years old by September 1, 2022

Master Classic, must be 45 years old by September 1, 2022.

All regulations already published in the past stay valid.
